

THE WORST BIRTHDAY

13

CHAPTER-1

Waking up in a small house in Silver Canoe Way, Canada,
William thought-

This was too much for a child to handle, so he woke up just to see that it was only 12 in the night. Trying to forget what he saw, he focused on the good news He was going to be 13 in 13 days, he said to himself 'what a coincidence he thought 13 days for me to be 13. Let me complete my geography work and maybe Faze is awake'. Faze was his beloved fox with green eyes and not rather skinny but (you get the idea) which his parents bought for him as a Companion 7 years ago. He remembered, his parents, they died in a fire that spread in a movie theatre.

When he came down the stairs, he saw a shadow,

He muttered

'Faze' under his breath.

And he seemed to be quite right but not the first and the last part. It was not Faze, no. It was his brother Aziel (A skinny looking boy, with black eyes and a pale face).

William Woods (Just looked like his brother skinny, although with blue eyes and a 'full of adventure' face) through his geography book to find the coldest and hottest place on earth, while enjoying the little Snack he had made for himself, he called it "Jiscuit"

It was what some people MIGHT eat. For William it was jam spread in between two biscuit. I know it was DISGUSTING.

And he also Bought a night time snack for Faze from under the kitchen cabinet (Yes, he was awake).

After finishing his homework he lay on his bed and thought about the meaning of dream, more like nightmare. He said to himself 'Was it true'. This was the third time he got this nightmare he had a night mare like this, when he was about to be 11 in 11 days and when he was going to be 12 in 12 days all the nightmares told him one thing... Find the Key- That's where the dream ended. He was not sure that if these dreams will ever come true.

'Ring' 'Ring'

His alarm started ringing, and Faze was also whining. He switched it off ran towards the stair. Aunt Elora (A rather

fat woman with a funny face) was scolding Aziel. Just as his foot made a noise, all her attention went on William,

"And you, why are you so late when you know this is the start of semester, we got you both a nice school dress, a NEW School bag and a bottle-

This was going to go forever William said in his mind. Then suddenly the voice stopped... Aunt Elora's saw some neighbors swooping through the garden window.

'Here you go eat this bread and Jam quickly' said Aunt Elora but her attention at the window.

'Aunt that is the shelf you are putting Jam on'

But it didn't Caught the aunt's attention so Aziel and William got a bread each and Jam and dog treat for Faze and ran out of the door.

'Bye Aunt'

'Did you see the look on her face?' Asked Aziel as they unlocked the locks of their Cycle.

'Let's Go Steve and Elias must be waiting' William told Aziel.

Speeding on their new Firefox they both raced to Kraft Street. Where Steve (Not skinny neither fat, eyes full of happiness or should I say Eye, He lost 1 of his eyes in a tragic car accident which with his eye also took his dad) and Elias lived, Steve was already on his bicycle and Elias (His brother who was just the same as his big brother Steve, but with both of his eyes) undoing the lock, Elias was now mounting the Cycle when there was a movement in the bushes.

A cat with white fur and one blue and 1 green eye, with blood all around its neck came towards Steve limping on her foot, lied at the foot of Steve. Her eyes closed, her heart beating very fast.

They raced to Doctor Charles a Family friend. (William and Elias's Aunt and Uncle's friend) and a vet.

'Cycle fast, Elias fast' all of them told Elias in conjunction

'I am' Elias cried

'We won't reach school on time unless you pedal fast' was the last word which William said before seeing the clinic.

'Happy Paws, Anyone thought why Dr Charles kept the clinic name this' Asked Aziel

'No time to Thin-'Steve was in the middle of answering Aziel

'What are you four doing here, you should be at School.' Asked a familiar voice.

'We were Heading there, But we fou-'Steve was again answering, but this time he was answering Doctor Charles.

'Oh What Happened, No time to Think Boys Come Inside.' Dr Charles ordered after looking at the kitten.

After placing the Kitten on the Clinic Beds Aziel Said to Dr. Charles-

'Ok, Dr Charles, We are heading to our school, otherwise we will be late'

'Ok But before you go back home from school visit me once, Ok?.' Dr Charles answered Aziel.

'Ok, Thank you.'

'Let's Go' William told them.

CHAPTER-2

Signing the late book Steve and William ran to the Classroom of Grade 7th.

'May we come in Sir' William asked.

'Did you all prepare for the mat-, Oh yeah, Yeah, Come in, But why are you so late. Did you prepare for the math's Test?'

Replied Mr. Hale

'Yes sir' answered the whole class in a Chorus.

'Oh and by the way Miss Ashley told to keep your Geography notebooks on the desk for checking.' Mr. Hale Told the class.

'Oh Boy this is going to take a while' Steve whispered to himself.

'Finally, Lunch Break, Hey Steve let's go meet up with our lil' brothers' William asked Steve.

'Why not?' Answered Steve

So they Both rushed down the stairs to meet with Aziel and Elias.

'Why so Glum Aziel' Asked Steve

'He got 9.5 out of 10' Answered Elias

'So?' Asked William

'He wanted a 10'

'Are you kiddi-'

William did not have time to finish his sentence, He noticed Aziel was gone.

'Where is Aziel'

'He was right here'

CRASH

A sound rang through Everyone's Ear. They all Rushed to where the sound came from. It was from the Staff room.

The Desk was down on the floor and the person outside the staffroom was Aziel?

'Aziel, what are you doing here' asked William as he helped Aziel get up

'Miss Ashley asked me to keep the Grade 7 Notebooks in the staff room' Answered Aziel.

'Why is the desk on the floor?' asked Miss Ashley Struggling to view the scene because of the crowd.

'I don't know ma'am, after I kept the grade 7 notebooks everything went blank.

'Was anyone else here?' Asked Mr. Hale.

'I was' replied a familiar voice, It was Aiden Ashbluff.

'So what Happened?'

'He picked up the desk and threw it away.'

Aiden was a big BULLY, He liked to pick on most of the people he meets. William was sure Aziel would never do this, but he had no proof.

But then a voice spoke out of the crowd of people with open mouths-

'No, that's not what happened, and I can assure that with proof'

'Ah yes, take side of Aziel. Fits you Riley' Said Aiden

'Shut up Aiden. So what proof do you have Riley, and what exactly did Aziel did?' Asked Mr. Hale
